

VAP PAINTING OF THE MONTH CONTEST RULES Revised May, 2021

Asel Art offers the members of Visual Arts of Prosper two Gift Certificates to be used for each meeting during our fiscal year. Members of VAP are invited to submit one finished artwork at the monthly meeting. It must have been completed within the last two years. The members present at the meeting will vote for their choice of the best artwork. The winner will receive a \$25.00 Gift Certificate.

There will be a random drawing from the artwork submitted, excluding the Art of the Month first place winner. The winner will receive a Gift Certificate in the amount of \$15.00.

Artwork must be original and not produced in a workshop or under a teacher's supervision. If a photo has been used as reference, it must be a photo taken by the artist. No religious, political or sexually suggestive content, such as nudes, will be exhibited. No artist name will be shown while the voting takes place. A number will be given for each artwork submitted and the members will vote by the number preferred.

At least two pieces of artwork need to be entered each month for a vote. Once submitted, the artist cannot re-enter the same artwork at any future Art of the Month contest. The winners of each monthly contest must wait one month before entering the contest again.
